1 ▲▼ RANK TWISTS

Classic Teen Patti

■■■ **Deal 3 cards**

Everyone antes, then bets blind or after seeing their cards. Seen players bet double the blind stake. The best hand at showdown wins.

◆◇◇ Easy ★ Traditional

2 ▲▼ RANK TWISTS

Muflis

■■■ **Deal 3 cards**

The rankings are reversed, so the lowest hand wins. A high card beats a pair, and a trail is the worst hand.

◆◇◇ Easy ★ Traditional

3 ▲▼ RANK TWISTS

High-Low Declare

■■■ **Deal 3 cards**

Before showdown, secretly declare "high" or "low" using a chip in your fist. The best high hand and best low hand split the pot.

◆◆◆ Hard House rule

4 ▲▼ RANK TWISTS

Closest to 555

■■■ **Deal 3 cards**

Ace = 1, 10 and picture cards = 0, and the rest are face value. Arrange your cards as digits, and the number closest to 555 wins.

◆◆◇ Medium ★ Traditional

5 ▲▼ RANK TWISTS

Closest to 21

■■■ **Deal 3 cards**

Ace = 1, picture cards = 10, and the rest are face value. Add up your three cards, and the total closest to 21 wins, whether over or under.

◆◇◇ Easy House rule

6 ▲▼ RANK TWISTS

Odd Sequence

■■■ **Deal 3 cards**

Sequences use alternate cards instead of consecutive ones, such as A-3-5 or 9-J-K. A normal run like J-Q-K no longer counts as a sequence.

◆◆◇ Medium ★ Traditional

7 ▲▼ RANK TWISTS

Even Sequence

■■■ **Deal 3 cards**

Sequences use alternate even cards, such as 2-4-6 or 8-10-Q. A normal run like J-Q-K no longer counts as a sequence.

◆◆◇ Medium House rule

8 ▲▼ RANK TWISTS

Picture Parade

■■■ **Deal 3 cards**

◆◇◇ Easy House rule

9 ▲▼ RANK TWISTS

Middle Card

■■■ **Deal 3 cards**

Sort your hand from high to low, and only the middle card counts. The highest middle card wins, and the top card breaks ties.

◆◆◇ Medium House rule

10 ▲▼ RANK TWISTS

Trail Trap

■■■ **Deal 3 cards**
